### COURSE DESCRIPTION AND OBJECTIVES

This conference is designed for radiologists and radiation oncologists in practice and in training as well as other physicians and health professionals interested in medical imaging. The lecture program incorporates all methods of diagnostic imaging, radiologic intervention and radiation oncology with emphasis on state-of-the art utilization, performance, and interpretation. Current topics in medical imaging will be addressed, including Advances in Cardiothoracic, Abdominopelvic, Musculoskeletal, Emergency, Neurologic, and Breast Imaging, along with Radiation Oncology.

### TARGET AUDIENCE

The target audience includes practicing radiologists, radiation therapists and trainees in these fields, and other physicians/health care professionals interested in medical imaging.

### ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Elements and Policies of the Accreditation Council for Continuing Medical Education through a joint sponsorship with the SNMMI and the NYRS. SNMMI is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The SNMMI designates this educational activity for a maximum of 27 AMA PRA Category 1 Credits.<sup>™</sup> Physicians should only claim credit commensurate with the extent of their participation in the activity.

Self Assessment Module (SAM) credits are pending approval by the American Board of Radiology (ABR).

### FEES, REFUNDS, REGISTRATION

**NYRS members-in-training** – FREE with advanced registration

**NYRS members** – \$100

**Out of state NYRS members** – \$300

**Non NYRS members** – \$695 (all 3 days) or \$300 (per day)

**Non NYRS member Fellows, Residents and Technologists** – \$350 (all 3 days) or \$200 (per day)

Full refunds provided less a \$75 service charge upon written notice until September 15, 2016

### TUITION INCLUDES

- Syllabus
- Daily breakfast, lunch, and refreshment breaks
- Processing of continuing medical education (CME) credits

### ABOUT THE SOCIETY

The New York Roentgen Society was founded in April 3, 1912 and is one of the oldest radiological societies in the United States. Professor Wilhelm Conrad Roentgen was awarded honorary membership in 1914; it was the only honorary radiological society membership he accepted in the United States. The New York Roentgen Society is a component of the New York State Radiological Society a Chapter of the American College of Radiology.

### SPONSORS

NYRS gratefully thanks our meeting sponsors.
